

PENN SQUARE MUSIC CONSERVATORY

LESSON CONTRACT

Please read, sign and return this form (or submit through Lesson Interest Form).

I have carefully read the Studio Policy and understand that the lessons for the year 2022-2023 may be taken between September 1, 2022 and August 31, 2023.

Quarterly or Monthly billing will be sent by the Conservatory. The rates for lessons are listed on the Conservatory web page. www.pennsquaremusicconservatory.com

I understand the reserved lesson time is my personal and financial responsibility, with no deductions available for missed lessons without advanced notice. I have read and agree to the Studio Policy's statement on absences. (Please see Studio Policy 2022-2023 for the ways in which missed lessons can be accommodated.)

I understand that STUDENT expected to practice at home and accepts the responsibility to daily practice of 5 days or more. Daily practice time should meet or exceed the amount of time spent in the weekly lesson (i.e., 30-minute lesson = daily practice of 30 minutes or more).

STUDENT will make sure to have a well-maintained instrument, a quiet environment for daily practice, and a practice schedule.

STUDENT or PARENT will call or email the teacher if I have a question about my assignment rather than waiting until the next lesson.

STUDENT will do my best never to skip practice on the day before or the day after their lesson.

STUDENT will follow any other assignments or guidelines given by their individual teacher.
